

No Apologies

Joni Mitchell

The general offered
No apologies
He said "The soldiers erred in judgment
They should have hired a hooker"

No apologies
to the outraged Japanese
No "Sorry little girl"
The pigs just took her
Tire skids and teethmarks
What happened to this place?
Lawyers and loan sharks
Are laying America to waste

Freddie said that "Juan thinks, I think

He's the devil"
What a lofty title
For such a petty little tyrant
Bigger beasts abound
And they kick this world around
At this crazy speed
With violence and greed
Tire skids and teethmarks
What happened to this place?
Lawyers and loan sharks
Are laying America to waste

So what makes a man a man
In these tough times
As drug lords buy up the banks
And warlords radiate the oceans
Ecosystems fail
Snakes and snails and puppy tails
Are wagging in the womb
Beneath the trampled moon
Tire skids and teethmarks
What happened to this place?
Lawyers and loan sharks
Are laying America to waste

The general offered
No apologies
