

Set Me Free

Lloyd

yeah you know what
young goldie in the house tonight baby, imma let my hat out on em haha
imma beast (imma beast)
imma dog (imma dog)
let me off the leash so i can set it off (set it off)

watch me sagg
you actin so sad yea
set me free
(Verse one)

yeah you know, im stunnin man
look at me i i i'm the man
here i go im commin' man
for this money
ah do the runnin' man

got in hand, we gone chop her
wave that b*tch around like a helicopter
pointed at your eyes like a tellaprompter
haha and set you free

yeah baby it's YG and the cater where it's greater is the place i be
you might catch me up town or down in new orleans
or somewhere overseas size like chinese
or maybe ridin' jet skis on miami beach
with a spanish freak, Vigasarafe
she's my number one fan in the messagi and only english she can speak is
set me free haha

cause, i turn into an animal (animal)
every time that the moon is full (is full)
something so unusual
that you've never seen before

(Chorus)
imma beast
imma dog
let me off the leash
so i can set it off (set it off)
watch me sagg like rick ross

you actin so sad
soul off

X2
(Verse two)

You already know that a playa shinin'
and i'm sippin somethin
while i'm second linin'
i'm back up in the game
and in't perfect timing
no more loca joker
now i'm haed linin
like east wood call me treigger man
i'm good but i ain't afraid to kill a man
feels like i got the whole world in my pants
they done' set me free (set me free)
yeah, i'm feelin ali
in this prime baby i'm a pimp yeah
it's me and mc in the vip
and if you wanna role with us we need to see id
because i turn into an animal (animal)

evertime that the moon is full (moon is full)
something so unusual
that you've never seen before (fo)

(Chorus)

imma beast (imma beast)
imma dog (imma dog)
let me off the leash (off the leash)
so i can set it off (set it off)
watch me sagg (watch me sagg)
like rick ross (rick ross)
you actin so sad (so sad)
soul off

(mystikal)

B*tch stop lyin on me
i smash these rappers and beat up the track at the same time homie
young lloyd done called and told me sit the dog on it
huba huba imma doba pigeon
i'm black and mean
but i got mean from being behind that fence
i'm trampolining it
tramplin over you trifling b*tches
i cock one leg up when being
full of blood pedagreens
b*ch i done told you
and i done showed you
i'm like overva pizza
i'm gettin cold

imma dog on the song
imma beast on the beat
an animal on pro twos
and a baboon on the tune
i'm a canine when it growl
imma werewolf when it howl
i hit the street and rappers ran
like f*ckin gunshots in the crowd
(pow pow pow)
yall was out there eatin shrimp
i was on that work out bench
but i'm back on the beach
muslce up b*tch
i'm bout to come get it
suck my d*ck if you f*cked up with it
no more beat my meat
set me free
(Chorus)
imma beast (imma beast)
imma dog (imma dog)
let me off the leash (off the leash)
so i can set it off (set it off)
watch me sagg (watch me sagg)
like rick ross (rick ross)
you actin so sad (so sad)
soul off
