

Tangled Up In You

[Aaron Lewis](#)

You're my world, the shelter from the rain
You're the pills that take away my pain
You're the light that helps me find my way
You're the word when I have nothing to say
In this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
Still tangled up in you
You're the fire that warms me when I'm cold
You're the hand I have to hold as I grow old
You're the shore when I am lost at sea
You're the only thing that I like about me
And in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
How long has it been
Since this story line began?
And I hope it never ends
It goes like this forever
In this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
