My Bologna

"Weird Al" Yankovic

Oooh, my little hungry one,
Hungry one.
Open up a package of my bologna.
Oooh, I think the toast is done,
The toast is done.
Top it with a little of my bologna.Never gonna stop,
Eat it up.
Such a tasty snack,
I always eat too much,
And throw up.
But I'll soon be back
For my my my yi yi wooo!
M-M-M-My bologna.Spreadin' on the mustard now,
A-show me how.
Spread it on a little of this bologna.
Hopin' that we don't run out,
Don't run out.
If we do, I'm sure that I'll miss bologna.Never gonna stop,
Eat it up.
Such a tasty snack,
I always eat too much,
And throw up.
But I'll soon be back
For my my my yi yi wooo!
M-M-M-My bologna.[burp]Goin' to the market now,
Market now.
I'm the city's biggest bologna buyer.
Walkin' down the shopping aisles,
Shopping aisles.
Fillin' up my basket with Oscar Mayer.Never gonna stop,
Eat it up.
Such a tasty snack,
I always eat too much,
And throw up.
But I'll soon be back
For my my my yi yi wooo!
M-M-M-My bologna.
