Son of a Gun

Tommy Emmanuel

Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again
Gun, gun, son of a gun
You are the only one
And no one else will take my place
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again
Gun, gun, son of a gun
You are the only one
And no one else will take my place
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again
Gun, gun, son of a gun
You are the only one
And no one else will take my place
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
