

Rusty Nails (Shackleton Remix)

[Moderat](#)

In broken speech
You tricked me on shaky ground
Don't tell me It feels like walking on rusty nails
But the pain's not mine Where we collide
Down is the only way out
'Cause hell's above I've tried to
Focus on anything
But the strain inside Some words rush
Oh, like jets in the sky Don't stay long
Just passing by But you talked it away
You talked it away
