

# Lay You Down (Instrumental)

## Jagged Edge

When I lay you down  
When I lay you down  
When I lay you down (when I lay you down)  
You know that I've fallen for you when I lay you down  
When I lay-ay-ay-ay-ay you down It's Friday night just got payed  
Fresh as a cube in a glass of lemonade  
I was down in Miami flying back today  
To the A, ay-ay-ay-ay-ay-ay-ay I call up Nikki she like to get kinky  
Have a good time every time she with me  
And I'm thinking  
Hey I might just be fallin' for her hey  
Hey I might just be fallin' for her She don't care about what you say  
She just get it how she know  
Half on any bed even get it on the floor oh  
What she show me what she know  
Now I just be tripping if she dips somewhere  
Maybe I'm dumb or maybe I'm just sprung  
Now I be tripping if she dips somewhere yeah  
And I never thought I'd fall for you When I lay you down (When I lay you down)  
When I lay you down down  
When I lay you down (When I lay you down)  
When I lay you down  
I'm just fallin' for you  
When I lay you down (when I lay you down)  
When I lay you down down  
When I lay-ay-ay-ay-ay-ay-ay-ay-ay you down This girl she's a classic old Reeboks  
A beauty legendary like Biggie and Pac  
She something like a homie  
She bangin on a block  
She acting like my body guard yea she's my body guard yea  
I gotta under my potion  
I bring her to my beach house, view of the ocean  
I already know it slow motion  
I already know it slow motion I can't even lie  
I love it when I'm in it  
Me I'm trying to win it like I'm going for the pennant  
Love it when I in it  
Baby I be mad if she dips somewhere  
Maybe I'm dumb a matter of fact I'm sprung

Watch how I'll be tripping if she dips somewhere  
'Cause I aint had no better  
Don't want no better  
They asked me when I leave her, never When I lay you down  
When I lay you down down  
When I lay you down  
When I lay you down  
I'm fallin' for you  
When I lay you down (when I lay you down)  
When I lay you down down  
When I lay-ay-ay-ay-ay-ay-ay-ay-ay you down Uh ah, she make in that sound  
All I wanna hear when I lay you down  
Fallin in love like I'm teen age now  
Cant wait til I hear the bell ring  
Studying her like its extra credit  
Ask me for a grade its an "A" I'm betting  
And I cant wait to get home  
I can lay-ay-ay-ay-ay-ay-ay-ay-ay you down When I lay you down  
When I lay you down down  
When I lay you down  
When I lay you down  
I'm fallin' for you  
When I lay you down (when I lay you down)  
When I lay you down down  
When I lay-ay-ay-ay-ay-ay-ay-ay-ay you down
