

# We Are The Few

## Streetlight Manifesto

Dear Mr. Gepetto, I hope this finds you well  
I wrote you this letter  
'Cause I miss you here in hell  
And now I know it's hard when you don't know what to think  
And every single smile is a [Incomprehensible] and you're waking up  
You might try but you won't get by  
Until you're crucified for all the things you try to do  
I don't care if you sink or swim  
And I don't care how you hold it in  
As long as you don't bother me  
With all the things I don't bother you with  
And 9 times out of 10 you might be right  
But what about that time you know you're wrong?  
You're singing that same song  
And everybody smiles but they'll never get along  
I'm trying and I'm trying and I'm trying and I'm trying to let go  
But everybody's going down tonight  
We are the few that won't say nothing right  
We are the footsteps fading into the night  
Nobody cares and nobody stares  
With such conviction and I say  
I never wanted this, no one ever wanted this  
But they gave it to me so I might as well be proud of it  
I don't know where we went wrong  
All I know now is I got to do something right  
So come clean  
No one should have have to live with the things you've seen  
But you're living anyway  
Well, I stop the car and put her in park  
And I step outside, God I hate this part  
When I see what I saw what I thought was a life  
That was more than a chore I'm just doing what I need to get by  
I don't care if you leave or stay but you might as well split  
Because it's not the same as it was  
When we said our last goodbye  
And if you want the truth I was hoping one of us would  
Pass away because it'd be much easier then  
We could all get together and think about when  
We were young we were dumb we were numb but in love

And I'm done so I'm sending out this letter today  
I'm trying and I'm trying and I'm trying and I'm trying to let go  
But everybody's going down tonight

We are the few that won't say nothing right  
We are the footsteps fading into the night  
Nobody cares and nobody stares  
With such conviction and I say  
I never wanted this, no one ever wanted this  
But they gave it to you so you might as well be proud of it  
I don't know where we went wrong  
All I know now is I got to do something right  
This has been the best night of my life  
This has been the best night of my life  
I could have lost my life and I would have lost my mind  
But now I'm fine and I find that this has been the best night of my life  
This has been the best night of my life  
(I still can't believe they had the heart to apologize)  
This has been the best night of my life  
(I still can't believe they had the heart to apologize)  
I could have lost my life and I would have lost my mind  
But now I'm fine and I find that this has been the best night of my life

And as the day fades no one investigates  
Nobody answers when she calls his name  
Another victim, somewhere in a shallow grave  
I want to hold her and tell her it's not your fault  
And as the day fades, no one investigates  
Nobody answers when she calls his name  
Another victim, somewhere in a shallow grave  
I want to hold her and tell her it's not your fault  
It's not your fault

We are the few that won't say nothing right  
We are the footsteps fading into the night  
Nobody cares and nobody stares  
With such conviction and I say  
I never wanted this, no one ever wanted this  
But they gave it to you so you might as well be proud of it  
I don't know where we went wrong  
All I know now is I got to do something right  
We are the few that won't say nothing right  
We are the footsteps fading into the night  
Nobody cares and nobody stares  
With such conviction and I say  
I never wanted this, no one ever wanted this  
But they gave it to me so I might as well be proud of it

And I know I've done something wrong  
All I know now is I got to do something right
