Coffin Case

Angry Samoans

Coffin Case - round & round
Another body hit & foundCoffin Case- Just for you
Turn you into Elmer's glueJump back - get down
It's time to moveHe's black - downtown
He's in the grooveGet lost - Your cost
You're such a jokeThe world keeps going round & round
When your ash is up in smokeHe's just like - "No excuse
Your body has no use"Open up - Throw it in
Since theres more waiting to beginCoffin Case - mind a playing
Enjoy the Living deadCoffin Case!
