

# Make It Better (Forget About Me)

## Tom Petty & The Heartbreakers

Honey, I want to make it better, baby  
Honey, I want to make it good again  
Baby, I want to make it better, girl Yeah, better for you and me  
Honey, wait and see  
I know it's been a long, long time  
But it's gonna be alright No you mustn't let it drag you down  
Honey, there's a lot a fools around  
And anything I can do, honey  
Honey, I'm gonna do it for you And I want to make it better, baby  
Listen, I want to make it good again Yeah, good for you and me  
Baby, please believe  
This is how I'm gonna do it for you Forget about me, forget about these eyes  
Forget about me, say good-bye  
Alright! There was too much rain, too much humidity  
Tell me why you did what you did to me?  
Honey, you're the judge, there ain't no jury  
And I'm just an innocent boy, used to bein' guilty Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye  
Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye  
Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye I want to make it, baby  
Listen, I want to make it good again Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye  
Forget about me, forget about these eyes  
Forget about me, say good-bye, good-bye
