Jack the Ripper

[Spoken] ...and now some tragic local news. We have a report of another murder tonight. A young girl has been found dead in Hyde Park. The body was badly mutilated. Because of these murders, police request that all women stay inside their homes after dark this evening. If you must go out, please have someone accompany you. Keep your doors locked. We'll repeat that. Police request that all women stay inside their homes. {wicked

(Ripper, Jack the Ripper)Well, there's a man walks the streets of London late at night

(Ripper, Jack the Ripper)

He's got-a long black hair and his pants are tight

(Ripper, Jack the Ripper)

Well, he really cuts it up when lights go down

(Ripper, Jack the Ripper)

'Cause that the time he like to shop around

(Ripper, Jack the Ripper)

Well, he walks down the street

Every girl he meets

"Is your name Mary Kelly?"

(Ripper, Jack the Ripper)

(Ripper, Jack the Ripper)Well, there's a man walks the streets of London late at night

(Ripper, Jack the Ripper)

He's got-a long black cloak and a one-track mind

(Ripper, Jack the Ripper)

Well, now, you pretty little chicks take my advice

(Ripper, Jack the Ripper)

Don't walk the streets of Hollywood tonight

(Ripper, Jack the Ripper)

Because he walks down the street

Every girl he meets

"Is your name Mary Kelly?"

{scream}

(Jack the Ripper)

And if they do

They'll catch

The Ripper

{scream}Guitar soloWhen Jack the Ripper shows his face.
