

Hungry

Saints of Silence

Iâ€™m hungry for life, and Iâ€™m no longer afraid of the rain
Itâ€™s hard to decide, where thereâ€™s money, letâ€™s walk off the shame
Iâ€™m walking and talking, and my mind is gone - no longer walk of the shame
â€™hungry for life, and Iâ€™m no longer afraid of the rain

Say, analyze, on my patience a nasty scar
Say, what you will, Iâ€™m sober and Iâ€™m standing still
Oh yeah, my hunger is growing stronger
Iâ€™m growing restless, patient no longer
I feel like an endless dÃ©jÃ vu

Iâ€™m hungry for lifeâ€™

Say, analyzeâ€™

Iâ€™m hungry for lifeâ€™
