Mocking Bird

Barclay James Harvest

Rain, sea, surf, sand, clouds and sky Hush, now baby don't you cryThere's a mocking bird Singing songs in the trees There's a mocking bird Singing songs just for you and meRain, sea, surf, sand clouds and sky Time will see your tears run dryThere's a mocking bird Singing songs in the trees There's a mocking bird Singing songs just for you and meThere's a mocking bird Singing songs in the trees There's a mocking bird Singing songs just for you and meRain, sea, surf, sand, clouds and sun Bless the tears of love, now goneThere's a mocking bird Singing songs in the trees There's a mocking bird singing songs Singing just for you and me
