DedNd (Agdm Remix)

Gonjasufi

Eastern dreams going round my brain
Eastern dreams driving me insane
I got the trigger cocked back
Watch these devils drop back
They don't know where god's at
I'll show em if they talk back
Clicck powwwwwwwwwww
Watch they face get rocked back
Oh mighty lord in heaven
Do they know where they are heading
Looking at they skin it's shedding
They're heading for another
They keep running away
Though he's coming today
See if they are saved
Though your running to play
None of you will pray
Til it's the coming of days
And you can't run away
To the beast my brother
To the beast my brother
Eastern dreams going round my brain
Eastern dreams driving me insane
Everybody think that they say
Anything thing that we say
She think that she say
Why are you running?
Why are you running?
Why are you running?
Why are you running?
