

Let's Do It (Let's Fall in Love)

Ella Fitzgerald

Birds do it, bees do it
Even educated fleas do itLet's do it
Let's fall in loveIn Spain, the best upper sets do it
Lithuanians and Letts do itLet's do it
Let's fall in loveThe Dutch in old Amsterdam do it
Not to mention the Finns
Folks in Siam do it
Think of Siamese twinsSome Argentines
Without means, do it
People say in Boston
Even beans do itLet's do it
Let's fall in loveRomantic sponges
They say, do it
Oysters down
In oyster bay do itLet's do it
Let's fall in loveCold Cape Cod clams
Against their wish do it
Even lazy jellyfish
Do itLet's do it
Let's fall in loveElectric eels, I might add do it
Though it shocks them I know
Why ask if shad do it
Waiter bring me "Shad roe"In shallow shoals, English soles, do it
Goldfish in the privacy of bowls, do itLet's do it
Let's fall in loveThe chimpanzees in the zoos, do it
Some courageous kangaroos, do itLet's do it
Let's fall in loveI'm sure giraffes on a sly do it
Heavy hippopotamus do itOoh, let's do it
Let's fall in loveOld clogs who hang down from twigs, do it
Though the effort is great
Sweet guinea pigs, do itBy a couple and wait, the world admits
Bears in pits, do it
Even Pekingeses in the Ritz, do itLet's do it
Let's fall in loveThat's why birds do itThe dragonflies in the [Incomprehensible], do it
Sentimental centipedes, do itLet's do it
Let's fall in loveMosquitoes Heaven forbidIn shallow shoals, English soles, do it
Goldfish in the privacy of bowls, do itLet's do it
Let's fall in love
