

# There Goes The Fear (U.N.K.L.E. remix)

## Doves

Out of here  
We're out of here  
Out of heartache  
Along with fear  
There goes the fear again  
There goes the fear And cars speed fast  
Out of here  
And life goes past  
Again so near  
There goes the fear again  
There goes the fear Close your brown eyes  
And lay down next to me  
Close your eyes, lay down  
'Cause there goes the fear  
Let it go You turn around and life's passed you by  
You look to ones you love to ask them why  
You look to those you love to justify  
You turned around and life's passed you by  
Passed you by again And late last night  
Makes up her mind  
Another fight  
left behind  
There goes the fear again  
Let it go  
There goes the fear Close your brown eyes  
And lay down next to me  
Close your eyes, lay down  
'Cos there goes the fear  
Let it go You turn around and life's passed you by  
You look to ones you love to ask them why  
you look to those you love to justify, why  
you turned around and life's passed you by Think of me when you're coming down  
But don't look back when leaving town  
Oh think of me when he's calling out  
But don't look back when leaving town  
Think of me when you close your eyes  
But don't look back when you break all ties  
Think of me when you're coming down  
But don't look back when leaving town today There goes the fear again

Let it go  
There goes the fear  
Let it go Think of me when you close your eyes  
But don't look back when you break all ties  
Think of me when you're coming down  
But don't look back when leaving town today
