

# Starlight (AOL Session)

## Muse

Far away  
The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or dieThe starlight  
I will be chasing a starlight  
Until the end of my life  
I don't know if it's worth it anymoreHold you in my arms  
I just wanted to hold  
You in my armsMy life  
You electrify my life  
Let's conspire to ignite  
All the souls that would die just to feel aliveNow I'll never let you go  
If you promised not to fade away  
Never fade awayOur hopes and expectations  
Black holes and revelations  
Our hopes and expectations  
Black holes and revelationsHold you in my arms  
I just wanted to hold  
You in my armsFar away  
The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or dieAnd I'll never let you go  
If you promise not to fade away  
Never fade awayOur hopes and expectations  
Black holes and revelations  
Our hopes and expectations  
Black holes and revelationsHold you in my arms  
I just wanted to hold  
You in my arms  
I just wanted to hold
