

# The Magic of Christmas

Jim Brickman

Deck the halls with boughs of holly  
It's the season to be jolly  
And be thankful for all that we have  
All the lights and decorations  
Put up in the anticipation  
Of the joyful celebration  
That's on its way  
We're counting the days  
'Til it's time for Christmas day  
Oh and God bless us everyone  
The good and the bad  
The happy; the sad  
Oh and God bless us everyone  
Here's to family and friends  
It's good to be here again  
On the streets there's children laughing  
People smile as they are passing  
Christmas time is here, our waiting is done  
Wishing it could last forever  
Not just twelve days in December  
Through the year let's try to remember  
That special way  
That everyone feels  
It's the magic of Christmas day  
Oh and God bless us everyone  
The good and the bad  
The happy; the sad  
Oh and God bless us everyone  
Here's to family and friends  
It's good to be here again  
So fill your heart with love and joy  
And through the eyes of girls and boys  
Share their wonder, live through their joy  
It's easy to do, just open your heart  
The spirit will come to you  
Oh and God bless us everyone  
The good and the bad  
The happy; the sad  
Oh and God bless us everyone  
Here's to family and friends  
It's good to be here again
