

Rastafari

Buju Banton

im gonna leave out the intro and all the fills like "lord". also in the chorus sometimes just one line will change between "redder than red", "rape and rape", and "hunger all day" you can figure it out. chorus

ini a rastafari, dreadlock and dread

nyabinghi congo bongo, redder than red

ini a rastafari, dreadlock and dread

nyabinghi bongo congo, rape and rapeverse 1

jah know heathen blood that will spill

jah jah movie I away, no man can catch me

some hungry fi kill, man a better you kill (chill)

not a nah go no funeral, I am nyabinghi

heed, yet ini try, no invite me

let the dead praise the dead, I wanna be lively

remembering how folks used to be

this life means so much more to me chorusverse 2

take a vow of separation, put no razor upon thy head

seize not lamentation, let the dead bury them dead

sail from creation, ancient bongo man (bob)

take that fire light, logwood was burning through the night this chorus starts "man a rastafari" verse 3

so let them say what them wanna say

and let them do what them wanna do

they cannot stop I from loving you

I must be true to myself, the almighty, and you

they cant stop I from holding true

no matter what they do im gonna be true chorusverse 4 is verse 1 but he says "buju nah go no funeral" BLESS
