

# Show Me Love

## Robin Schulz & Judge

Yeah, we back  
Slim Thugga, Mannie Fresh  
This for the real niggas in the club, mayne  
Holla at 'em Fresh  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
Don't call it a comeback, 'cause I been here for years  
Wreckin' my peers, through the blood, sweat and tears  
Here it is, Thugga back at it like a addict  
No matter the price, give it here I gotta have it  
When I step up out my house, everyday I gotta show off  
Clean than a bitch with the price tag tow off  
Everythang new, straight up out the mall  
From my pants, to my shirt, to my shoes, to my draws  
I show ya how to ball, take notes and keep looking  
Stay tuned to the show and see what Thugga got cooking  
Money back guaranteed, everyday I'm a go off  
I'm rich than a bitch, shit I might as well show off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off

Clean in this bitch with the price tag tow off

    In the streets

    (In the streets)

    In the club

    (In the club)

All the real muthafuckas show me love

    (Show me love)

Now I open up this bitch and I'm a show you how to show off

    Clean in this bitch with the price tag tow off

    Thugga fresh like a Mannie be, Dillerman, hand me keys

    Pull up off the lot, drop coupe, three hundred G

    Man, it's so fun to be me, I'm the wannabe

    On ya TV, yeah G, I'm the one you see

    The rose was the blessing so I pull that out the Sunday

    The Benz the work card, so I pull that on Monday

    The coupe good on gas, so I dry that all week

    And I pull out my slab, when I shut down the streets

    I'm a beast, hit the jury man with my peeps

    Big hundred carrot badge, I'm the captain of the streets

    Roll deep like police, blue boys got it lock

    Ya see me on patrol in ya hood on yo block

    Holla

    In the streets

    (In the streets)

    In the club

    (In the club)

All the real muthafuckas show me love

    (Show me love)

Now I open up this bitch and I'm a show you how to show off

    Clean in this bitch with the price tag tow off

    In the streets

    (In the streets)

    In the club

    (In the club)

All the real muthafuckas show me love

    (Show me love)

Now I open up this bitch and I'm a show you how to show off

    Clean in this bitch with the price tag tow off

    When I hit the club all the girls show me love

    (Show me love)

    'Cause worldwide they be fuckin' with Thug

    Because the boss got class, the boss stay G'ed

I'm everywhere you ain't never there, where you be?

    I got a crib in Miami, house side in Cali

    Spot in ATL, but I be out there Bally

'Cause I live in the H, and got hoes round the globe  
Stacking up you want, I'm getting doe by the low  
That's how I stay froze and fresh with the clothes  
My closet got mo kicks than they got in the sto's

I pop tags, shirt match my badge  
Eyelids low, looking at the Prada glass  
In the streets  
(In the streets)  
In the club  
(In the club)

All the real muthafuckas show me love  
(Show me love)

Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off

In the streets  
(In the streets)  
In the club  
(In the club)

All the real muthafuckas show me love  
(Show me love)

Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off
