Jacquelyn in the Background

Jessica Pratt

Finger through the night
I look so long, I can't find
Another friend like you; you and I
If you just can't find the words to tell
Let me say that I know you well
Deep inside your lonely room, I try tell you but never get too farOde to Jacquelyn, I see you coming through
See the changes in your smile
In the background, you're changing colors now
Leave your bad news for a whileDrifting through the day
I look so long, I can't find
Another friend like you; you and I
If you just can't find the words to tell
Let me say that I know you well
Deep inside my lonely room, I'll cry the tears of never knowing youOde to Jacquelyn, I see you coming through
See the changes in your smile
In the background, you're coming covers now
Leave your bad news for a while
