She Called Me Baby

Harlan Howard

She called me baby baby all night long used to hold and kiss me till the dawn
And one day I awoke and she was gone there's no more baby baby all night long
She called me baby baby all night long kissed my tears away when things went wrong
What I'd give if she'd just come back home and call me baby baby all night long
[piano]
She called me baby baby all night long lift me up so high and made me strong
Now each night in dreams just like a song I still hear baby baby all night long
