Whistle Bait

Larry Collins; Lorrie Collins

I see that gal comin' down the street
all decked out in her dress so pink
with her eyes so blue
and her hair so gold
she's whistlebait, she's the one for me
she's whistlebait ah ah ah ah ah ah she's the one for me
Her heels are clicking as she walks by
her dress so pink sure fills the eye
and I'll bet if you look inside
she's whistlebait, she's the one for me
she's whistlebait ah ah ah ah ah ah
she's the one for me
She's the woman that I love so
when she stops to powder her nose
All te fellas just go whoa!
she's whistlebait, she's the one for me
she's whistlebait ah ah ah ah ah ah
she's the one for me
