

Whistle Bait

Larry Collins; Lorrie Collins

I see that gal comin' down the street
all decked out in her dress so pink
 with her eyes so blue
 and her hair so gold
she's whistlebait, she's the one for me
she's whistlebait ah ah ah ah ah ah she's the one for me
 Her heels are clicking as she walks by
 her dress so pink sure fills the eye
 and I'll bet if you look inside
she's whistlebait, she's the one for me
 she's whistlebait ah ah ah ah ah ah
 she's the one for me
 She's the woman that I love so
 when she stops to powder her nose
 All te fellas just go whoa!
she's whistlebait, she's the one for me
 she's whistlebait ah ah ah ah ah ah
 she's the one for me
