V.I.C.

Soulja Boy TellemThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyGet silly, get silly

Get silly, get silly

Drillin holes like a dentist at the den like villerannI ba ba ba, Im da man girlfriend

Im da reason why you wanna lose ya man girlfriend

Im calm like da sea, Im blowed like the wind

And now that Im straight Im bout to act a fool againGet silly, get silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyMy shades too silly cuz they made by Cavalli

Watchin everybody jockin while Im poppin sumthin bubbly Poppin sumthin bubbly, Im tryna do it big

Dem haters in my way, I play this game to win

Watch me take it to the ally, knock em all off like some pinsI drop drop, Imma sell like silly

Cuz everybody dancin and everybody feel me

With these stacks in my jeans, just like my name was Billy

While Im jockin on you haters, just like a pop-a-wheelieGet silly, get silly

Get silly, get silly

Get silly, get silly

Get silly, get silly The dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyGet silly, get silly

Get silly, get silly

Get silly, get silly

Get silly, get silly The dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyGet silly
