Lets Go[Verse 2 by Loon]
What's the sense brushin your teeth when your not gon smile.
I know I'm a bad boy but I'm not that wild.
I might hang out late but I'm not that foul.
These chicks be on my back like they got my child.
Meanwhile you know my style, I'm high profile.
Even though I be in the hood where the gats go bloa!
I got stacks and pals, rowin catsters wow, actin here ma thats not your style.
I can tell by the Chanel you livin it well.
But you aint used to dealin with cats that livin in hell.
Used to catch tryin to get in your tell, cats sniff your trail, stocky boots why you walkin those heels.
Kinda ill how you makin it hotter in your Gucci and Prada.
You the reason why a groupie you nada.

Nigga never get seen in Nevada, sippin pina colada, not with me momma nah uh. (you you you gotta)[Chorus 2 x2][Verse 3 by Massari]
Im comin in Gucci and Parda
and then they lookin when they pass by me
When they run up they run up they wanna holla
And they only thing that i say is "Hey Mami"
Then i invited shorty to a bottle
she said she didnt drink VSOP.
So then i opened up another bottle
after that i took her home with me.[Chorus 1 x2][Chorus 2 x4]Smile for me Baby.
