Look In Your Eyes

Streetheart

I tried to love you,
And I've done every thing I can.
I can't imagine you
Sleeping with another man.
I think about you when I'm gone,
But it isn't fair.
Oh, when you say "you love me",
And I phone, you're never there.Oh, it hurts when I'm with you,
It hurts when I'm gone,
You don't seem to wanna try.
But lies never help you disguise...The look in you eyes,
Look in your eyes
In your eyes, look in your eyesI've tried to reach you,
But I know I've had enough.
I've tried to squeeze you,
But you're cool, you play it so rough.
I want to run, wanna hide, wanna slip away,
But I know I'm wrong,
Cause I'm in love, in love again.Oh, it hurts when I'm with you,
It hurts when I'm gone,
You don't seem to wanna try.
But lies never help you disguise...The look in you eyes, look in your eyes
In your eyes, look in your eyesOh, I really want you,
Girl, I really need you.The look in your eyes, look in your eyes
In your eyes, look in your eyesI tried to love you,
And I've done everything I can.
I can't imagine you sleeping with another man.I can't keep running away,
I've got so much I wanna say.
Cause you know I'm wrong,
I'm in love, in love again, oh yeah
I'm in love again, oh yeahThe look in you eyes, look in your eyes
(I'm in love again)
In your eyes, look in your eyes
(I'm in love again)
In your eyes, look in your eyes
