

# Standing In the Road

## Blackfoot Sue

I'm standing in the road  
A man without a home  
My friends all pass me by  
And never say a word.I'm feeling so alone  
And all the things I've known  
Just seem to disappear  
And never reappear.I feel the rain and cold  
My clothes have all been sold.  
And all my shouts for help  
Just seem to go unheard.  
I'm just a lonely man  
Won't someone lend a hand  
Don't leave me on my own  
Just standing in the road.I'm standing in the road  
A man without a home  
My friends all pass me by  
And never say a word.  
I'm feeling so alone  
And all the things I've known  
Just seem to disappear  
And never reappear.Na na na na na  
Na na na na na  
Na na na na na
