Killer Wants To Go To College Ii

Paul Simon

Sal
I know you're trying to protect me
Searching for another truth
With your language and your poetry
From my ignorance and youthHey I did not come to argue
My life never made much sense
I just wish that I could hug you
You're my only defenseI don't understand your writing
I could barely sign my name
All I ever learned was fighting
But I'm not the only one to blameThe streets were dark with danger
I have to stand up for my friends
In a land where I'm a stranger
And the hatred never endsInmate
Killer wants to go on t.v.[interview]
