

Houdini

The Hi-Risers

I wait at the table
And hold hands with weeping strangers
 Wait for you
 To join the group
 The tambourine jingle-jangles
 The medium roams and rambles
 Not taken in
 I break the circle
 I want this man
 To go away now
 With a kiss
 I'd pass the key
 And feel your tongue
 Teasing and receiving
 With your spit
 Still on my lip
 You hit the water
 Him and I in the room
 To prove you are with us too
He's using code that only you and I know
 This is no trick of his
 This is your magic
 I'd catch the cues
 Watchin' you
 Hopin' you'd do somethin' wrong
 Everybody thinks you'll never make it
 But every time
 You escape
 Rosabel, believe
 Not even eternity
 Can hold Houdini
 Rosabel, believe
 Through the glass
 I'd watch you breathe
 (Not even eternity)
 Bound and drowned
 And paler than you've ever been
 (Will hold Houdini)
 With your life

The only thing in my mind
We pull you from the water
Houdini
You
(Houdini)
And I
And Rosabel believe
