

# Don't You Remember

Adele

When will I see you again?  
You left with no goodbye, not a single word was said  
No final kiss to seal anything  
I had no idea of the state we were in I know I have a fickle heart and a bitterness  
And a wandering eye and heaviness in my head But don't you remember? Don't you remember?  
The reason you loved me before  
Baby, please remember me once more When was the last time you thought of me?  
Or have you completely erased me from your memory?  
I often think about where I went wrong  
the more I do, the less I know But I know I have a fickle heart and a bitterness,  
And a wandering eye and a heaviness in my head But don't you remember? Don't you remember?  
The reason you loved me before  
Baby, please remember me once more I gave you the space so you could breathe  
I kept my distance so you would be free  
And hope that you find the missing piece  
To bring you back to me Why don't you remember? Don't you remember?  
The reason you loved me before  
Baby, please remember me that you used to love me When will I see you again?
