Show Me Love

Robin S

Ahh, yeah yeah
Youve got to show me loveHeartbreaks and promises
Ive had more than my share
Im tired of giving my love
And getting nowhere, nowhereWhat I need is somebody
Who really cares
I really need a lover
A lover that wants to be thereIts been so long
Since I touched a wanting hand
I cant put my love on the line
That I hope youll understandSo baby if you want me
Youve got to show me love
Words are so easy to say, oh ah yeah
Youve got to show me loveIm tired of getting caught up
In those one night affairs
What I really need is somebody
Who will always be thereDont you promise me the world
All that Ive already heard
This time around for me baby
Actions speak louder than wordsIf youre looking for devotion, talk to me
Come with your heart in your hand
Because my love is guaranteedSo baby if you want me
Youve got to show me love
Words are so easy to say, oh ah yeah
Youve got to show me loveShow me, show me baby
Youve got to give it to me
Give it to me, give it to me, yeah
I dont want no fakes, dont want no phoney
I need your loveShow me, show me, show me baby
Give it to me, give it to me
I am not a toy, Im not a play thang
Youve got to understandIf youre looking for devotion, talk to me
Come with your heart in your hand
Because me love is guaranteed
Yeah, yeah, yeah, yeah, yeah
