Call Your Girlfriend

Star Anna

Call your girlfriend, it's time you had the talk
Give your reasons, say it's not her fault
But you just met somebody new
Tell her not to get upset
Second guessing everything, you said and done
And then when she gets upset tell her
How you never mean to hurt no one
Then you tell her that the only way her heart will mend
Is when she learns to love again
And it won't make sense right now
But you're still her friend and then you let her down easy
Call your girlfriend, it's time you had the talk
Give your reasons, say it's not her fault
But you just met somebody new
Don't you tell her how I give you something
That you never even knew you missed
Don't you even try and explain
How it's so different when we kiss

You tell her that the only way her heart will mend
Is when she learns to love again
And it won't make sense right now
But you're still her friend and then you let her down easy
Call your girlfriend, it's time you had the talk
Give your reasons, say it's not her fault
But you just met somebody new
And now it's gonna be me and you
And you tell her that the only way her heart will mend
Is when she learns to love again
And it won't make sense right now
But you're still her friend and then you let her down easy
Call your girlfriend, it's time you had the talk
Give your reasons, say it's not her fault
Call your girlfriend, it's time you had the talk
Give your reasons, say it's not her fault
But you just met somebody new
