

Fem In a Black Leather Jacket (Demo)

Pansy Division

I don't like macho, put it away
Doesn't appeal to me, straight or gay
But I know a boy who catches my eye
He don't act tough, why should he try?
He's a fem in a black leather jacket
He's a gem in a black leather jacket
He's a gem in a black leather jacket
And I wanna take him home with me
With his long long hair and pouty lips
Cute little butt and sexy hips
The way he moves has me inspired
He's the boy that I require
Chorus fem fem, fem fem femmy
He looks as good in a skirt as he does in jeans
He is a most notorious queen
(with) his personality I'm not impressed
But I can't wait to get him undressed
Chorus and I'm gonna take him home with me!
