Easy For You

Billy Gilman

You say you've made your decision
It's final, you're leavin' and that's that
You say you're bustin' out of this prison
All this takin' and no givin' and there's no turnin' backDid you think I'd hold the door for you
I thought you knew me better than thatI won't let you turn and walk away
Won't pretend that everything's okay
I won't wish you well the way you want me to
Sorry baby, I won't make it easy for youI always admired your conviction
How you stood up for yourself when things got rough
I had a moment of indecision
There's no forgivin' and sorry's not enoughYou always told me not to give up
So why are you givin' up on us?I won't let you turn and walk away
I won't pretend that everything's okay
I won't wish you well the way you want me to
Sorry baby, I won't make it easy for you
To vanish into thin airI won't wish you well the way you want me to
Baby can't you tell that's just too hard to do
Sorry baby, I won't make it easy for you
