Alain Delon

Schmidt

Stranger you seem, lost on the street
What is your story, where will it lead?
Walk by my side, spend a little time
Love me like Alain DelonInto your room, I spray some perfume
What is your pleasure, I don't assume
Shot in the dark, straight to my heart
Love me like Alain DelonLast cigarette, nothing is said
Will you remember this when it's dead?
I need the thrill, we're in for the kill
Love me like Alain DelonI'll be your dream girl
And I'll be the sunrise
If you don't kill me
I will survive
