

Beside You

5 Seconds of Summer

Within a minute I was all packed up
I've got a ticket to another world
I don't wanna go
I don't wanna go
Silent words are hard to speak
When your thoughts are all I see
Don't ever leave, she said to me
When we both fall asleep, underneath the same sky
To the beat of our hearts at the same time
So close but so far away
(Can you hear me?)[Chorus:]
She sleeps alone
My heart wants to come home
I wish I was, I wish I was
Beside you
She lies awake
I'm trying to find the words to say
I wish I was, I wish I was
Beside you
Another day, and I'm somewhere new
I made a promise that I'll come home soon
Bring me back, bring me back to you
When we both wake up underneath the same sun
Time stops, I wish that I could rewind
So close but so far away[Chorus:]
She sleeps alone
My heart wants to come home
I wish I was, I wish I was
Beside you
She lies awake
I'm trying to find the words to say
I wish I was, I wish I was
Beside you
There are pieces of us both
Under every city light
And they're shining as we fade into the night
She sleeps alone
My heart wants to come home
I wish I was, I wish I was[Chorus:]
She sleeps alone
My heart wants to come home
I wish I was, I wish I was
Beside you
She lies awake

I'm trying to find the words to say
I wish I was, I wish I was
Beside youShe lies awake
Beside you
I wish I was, I wish I wasShe sleeps alone
My heart wants to come home
I wish I was, I wish I was
