The Devil In Miss Jones

Something Happens

The days of wine and roses
Were a long time ago
The proms, teenage cruisin'
And the picture showYou tried so hard
To fix your outsides
Until you realized that I took
Everything dear insideGive me your heart
Give me your soul
I'll take you when you're young
The devil in Miss JonesYour daddy had a funny way
Of showing you his love
It's a shame you've hid well
From the Lord up aboveThere's something inside
That burns like a fire
And you realize you've been blessed
With a wild desireGive me your heart
Give me your soul
I'll take you when you're young
The devil in Miss JonesYour parochial background
Vanished in the wind
Perhaps a pornographic future
And a million dollar friendYou tried so hard
To always be the one
You're loved by all men
But respected by handgunGive me your heart
Give me your soul
I'll take you when you're young
The devil in Miss JonesI'll take you when you're young
And I'll leave you when you're old
