

Carry Me

Papa Roach

I've been looking for something sacred running away from the light
Gotta burn all the bridges in my head that lead me away from my life
I question my own existence, question the meaning of life
Why don't you carry me? Why don't you carry me?
I can't move on, I can't live on
Carry me, why don't you carry me?
I can't save me, I am crazy without you
It takes horns to hold up my halo and strength to get through the fight
Now I'm playing my cards on the table praying everything will be alright
I question my own existence, question the meaning of life
Why don't you carry me? Why don't you carry me?
I can't move on, I can't live on
Carry me, why don't you carry me?
I can't save me, I am crazy without you

The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
Why don't you carry me? Why don't you carry me?
I can't move on, I can't live on
Carry me, why don't you carry me?
I can't save me, I am crazy
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it the most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it the most
Carry me, carry me
Carry me, carry me
