## **Timothy**

## **Jet**

Timothy, I took your place
Timothy, 'cause it's such a waste
Timothy, we found your spaceship
Timothy, it's the farthest you've ever flownNever used your head
To find out what this whole thing meantIt's not what it seems
But it is

Timothy where have you been?
Timothy where have you been?Timothy, where did you go?
Timothy, the boy can throw
Timothy, we found your spaceship

Timothy, did it hurt when you hit the groundNever used your legs
To walk ??round in this whole big messIt's not what it seems

But it is

Timothy where have you been?

She cried in the kitchen

To let you go

Timothy where have you been? Missed your photo
Missed your birthday too
Missed your photoIt's not what is seems
But it is

Timothy where have you been? She cried in the kitchen

To let you go

Timothy where have you been? Missed your photo
Missed your birthday too
Missed your photo
Missed your birthday too.
