

Jesus Saves

Fight

[Halford]The devil walked with me
He looked me in the eye
Said once I was all trouble
For the worldThen I saw the light
And now I fell the joy
Believe me now
For I bring you the worldJesus, Jesus savesTook me to this home
Showed me all his sin
Said this is how I used
To spend my daysMisery in hell
Master of my world
Now I've mended all my evil ways
