

Blue Eyed Coloured Girl

Modern Talking

It's 5 o'clock, I think of you
Live my life without you and I'm feeling blue
I told you lies, love fades away
Oh I loved you baby but didn't say
It's 5 o'clock a lonely night
And I just remember, we were side by side
I made mistakes, you went away
And now I know the words, I didn't say
How can I fall in love
With a blue eyed coloured baby girl
How can you tell me, we can't be together, oh no
The night is gone, I couldn't sleep
I saw the old videos, I'll always keep
Day in day out, I'm missing you
Is there just a little chance, what I can do?
The night is gone, I watched a star
I have to face the future, oh you're so far
Some lies are true
Can we stay friends
Tell me baby when will I see you again
How can I fall in love
With the girl with the golden hair
How can you tell me, we can't be together, oh no
