

# Black Wedding

## In This Moment

Priest are you there  
Can you hear my voice  
Do you hear my prayers  
Are you out there  
Forgive me Priest, for I have sinned  
(I know not what I do)Mother I am here  
I can hear your song  
I can feel your fear  
He's done you wrong  
Temptation fed his own desires  
In the ring of fire (in the ring of fire)  
Tonight!  
I would have loved you for a thousand years  
I would have died for you  
I would have sacrificed it all my dear  
I would have bled for youTill death do us part  
You were unholy right from the start  
It's a nice night for a black wedding  
It's a nice night for a black weddingI heard your cry and I just knew  
I never meant to forsake you  
Mother there's no reason to repent  
(I know not what you do)I heard the bells and I just knew  
An angel once now a ghost of you  
Deliver me from my own desires  
From my ring of fire (from my ring of fire)  
Tonight!  
I would have loved you for a thousand years  
I would have died for you  
I would have sacrificed it all my dear  
I would have bled for youTill death do us part  
You were unholy right from the start  
It's a nice night for a black wedding  
It's a nice night for a black wedding  
(Nice night for a black wedding)  
(Nice night for a black wedding)  
(Nice night for a black wedding)  
(Nice night for a black wedding)Come onI would have loved you for a thousand years  
I would have died for you  
I would have sacrificed it all my dear

I would have bled for youTill death do us part  
You were unholy right from the start  
It's a nice night for a black wedding  
It's a nice night for a black wedding  
(Nice night for a black wedding)  
(Nice night for a black wedding)  
(Nice night for a black wedding)  
(Nice night for a black wedding)In my name shall they cast out demons  
They shall speak in new tongues  
They shall take up serpents  
And if they drink any deadly poison  
It shall in no wise hurt them  
They shall lay hands on the sick  
And they shall recover  
The serpent is only brought into the Holy Sanctum  
And only handled  
If the Holy Ghost  
Of the Holy Spirit  
Speak directly to the Disciple
