

The Christian Life

The Byrds

My buddies tell me that I should've waited
They say, "I'm missing a whole world of fun"
But I still love them and I sing with pride I like the Christian life I won't lose a friend by heeding God's call
For what is a friend who'd want you to fall
Others find pleasure in things I despise I like the Christian life My buddies shun me since I've turned to Jesus
They say, "I'm missing a whole world of fun"
I live without them and walk in the light I like the Christian life I won't lose a friend by heeding God's call
For what is a friend who'd want you to fall
Others find pleasure in things I despise I like the Christian life
I like the Christian life
