Michigan

Candy Hearts

I'm in a sleeping bag in your kitchen
In your house somewhere in Michigan
and I don't know what you're thinkingYou're upstairs in your room in your bed
going over the things that you said
and I don't know what you're thinkingYou ignored me all night
It took a 15 hour drive
to think over everything like
The way I sleep next to you
All of the things inside your room
How we're in love with our flaws
And will I see you in the fallI'm in a parking lot in Florida
You're up the street with your friends
And I don't know what you're thinkingWhen you say that I have your heart
But I'm all alone when they're closing the bar
And I don't know what you're thinkingYou ignored me all night
It took a 15 hour drive
to think over everything likeThe way I sleep next to you
All of the things inside your room
How we're in love with our flaws
And will I see you in the fall
You only call me after everyone we know has gone to bed
you want to meet me in the parking lot if I can keep a secret
Well I'm not like that, I'm not like that, I'm not like that
You're still the worst idea I ever had.
