

# Explosions

## Bruitages

You tremble like you see a ghost  
And I gave in  
"I like the things you need the most,"  
You said  
Where have you been?  
You wasted all that sweetness  
To run and hide;  
I wonder why  
I remind you of the days  
You poured your heart into,  
But you never tried  
I've fallen from grace,  
Took a blow to my face;  
I've loved, and I've lost,  
I've loved, and I've lost,  
Explosions  
On the day you wake up,  
Needing somebody  
And you've learnt  
It's okay to be afraid,  
But it will never be the same  
It will never be the same  
You left my bleeding in the dark  
So you could be king  
The words you said are still untold to me  
And I've  
Lost my faith in everything

Those nights you could cope  
Your intentions were gold  
But the mountains will shake;  
I need to know I can still make  
Explosions  
On the day you wake up needing somebody  
And you've learnt  
It's okay to be afraid,  
But it will never be the same  
And as the floods move in,  
And your body starts to sink,

I was the last thing on your mind:  
I know you better than you think  
'Cause it's simple darling,  
I gave you warning  
Now everything you own  
Is falling from the sky in pieces  
so watch them fall with you  
In slow motion  
I pray that you'll find peace of mind;  
And I'll find you another time  
I'll love you another time  
Explosions  
On the day you wake up,  
Needing somebody  
And you've learn  
It's okay to be afraid  
But it will never be the same
