My Man

Barbra Streisand

Oh my man I love him so He'll never know All my life is just despair But I don't care

When he takes me in his arms
The world is bright, alrightWhat's the difference if I say
I'll go away

When I know, I'll come back
On my knees someday
For whatever my man is

I am his forever moreIt cost me a lot But there's one thing that I've got

It's my man
Cold and wet, tired you bet
But all that I soon forget

With my manHe's not much for looks

And no hero out of books

He's my man

Two or three girls has he

That he likes as well as me

But I love himOh my man I love him so

He'll never know

All my life is just despair

But I don't care

When he takes me in his arms
The world is bright, alrightWhat's the difference if I say

I'll go away

When I know I'll come back
On my knees someday
For whatever my man is
I am his forever more
