

Whisper In the Chaos (feat. Ville Valo)

Lullacry

You Brought Me Here
Come With Me And
Sing A Song Of Misery I'm The Writing On The Wall
See What It Means To Call Me,
Call Me By That Name Be My Witness
See How I Became
A Reflection Of Their Hatred They Took My Beauty
Turned Me Into A Beast
Secret Of My Strenght
Keeper Of My Soul Share My World, Death Is Return
Your Cradle Will Be Your Grave
I Came For You, You'll Be With Me
Whisper In The Chaos
