Sexuality

Billy Bragg

I've had relations with girls from many nations
I've made passes at women of all classes
And just because you're gay I won't turn you away
If you stick around, I'm sure that we can find some common groundSexuality
Strong and warm and wild and free

Sexuality

Your laws do not apply to meA nuclear submarine sinks off the coast of Sweden
Headlines give me headaches when I read them
I had an uncle who once played for Red Star Belgrade
He said that some things are really best left unspoken
But I prefer it all to be out in the openSexuality
Young and warm and wild and free
Sexuality

Your laws do not apply to meSexuality

Don't threaten me with misery

Sexuality

I demand equalityI'm sure that everybody knows how much my body hates me

It lets me down most every time and makes me rash and hasty

I feel a total jerk before your naked body of workI'm getting weighed down with all this information

Safe sex doesn't mean no sex it just means use your imagination

Stop playing with yourselves in hard currency hotels

I look like Robert De Niro, I drive a Mitsubishi ZeroSexuality

Strong and warm and wild and free

Sexuality

Your laws do not apply to meSexuality

Your laws do not apply to meSexuality
Come eat and drink and sleep with me
Sexuality
We can be what we want to be
