Show Your Weakness

Amber Rubarth

Show your weakness
Let
your tears fall when youre
feeling blue
Show your
weakness
Ill be on your side
even when you loseI know what
its like to build a wall
I know
what its like to be alone
I know
what its like to need
someoneShow your weakness
Let
your tears fall when youre
feeling blue
Show your
weakness
Ill be on your side
even when you loseEvery day
the sun will rise
Every night a
star will shine
Dont you think
its time toShow your
weakness
Let your tears fall when
youre feeling blue
Show your
weakness
Ill be on your side
even when you lose
Even when you
loseJust cause you keep it
all inside
Dont mean that you
are strong
Show your

weaknessShow your
weakness
Let your tears fall when
youre feeling blue
Show me your
weakness
Ill be on your side
even when you lose
Im on your
side even when you lose
And Ill
show my weakness too
